**ASSENTED-TO MOTION TO FILE CONSOLIDATED
OPPOSITION BRIEF NOT EXCEEDING 80 PAGES**

Plaintiff Sterling Suffolk Racecourse, LLC (“SSR” or “Plaintiff”) hereby moves, with the consent of all defendants for confirmation that its consolidated opposition brief to all motions to dismiss the First Amended Complaint filed by the various defendants (Docket Nos. 72-73, 75-84) may be up to 80 pages in length.

In support of this motion SSR states as follows:

1. This is a civil RICO case against multiple defendants with multiple additional state-law causes of action alleged. Defendants have collectively filed five motions to dismiss plus a special motion under the Massachusetts “anti-SLAPP” statute, supported by six separate briefs totaling 107 pages. As stated in previous scheduling motions approved by the Court (Docket Nos. __) SSR believes a single consolidated opposition rather than six separate briefs (potentially of 20 pages each as of right) will be more efficient for all concerned, including the Court.

2. As predicted in its previous motions, SSR has not required as much as 107 pages to respond to all the arguments raised in the defendants' 107 pages of briefing, but has been able to keep its consolidated opposition brief to under 80 pages. All defendants, through their counsel, have consented to the filing of SSR's consolidated opposition brief not to exceed 80 pages in length.

WHEREFORE, for the foregoing reasons, SSR respectfully requests that the Court grant this motion, to the extent Court approval is required, and accept for filing the consolidated opposition brief being filed today with a length not exceeding 80 pages.

Respectfully submitted,

/s/ Steven G. Storch
